Re: Charter Communications – Pricing Adjustments

Dear Mayor Sea:

Containing costs and efficiently managing our operations are critical to providing customers with the best value possible. Like every business, Charter Communications faces rising costs that require occasional price adjustments. As a result, customers will be notified of the following price adjustments through a billing statement message and legal notice on or after January 21, 2017.

Effective on or after February 21, 2017  
Digital Adaptors – increasing to \$4.00

We remain committed to providing an excellent experience for our customers, in your community and in each of the communities we serve.
